Check Out Our New Parking Lot!

Thank you to everyone who donated to make our parking lot new again!

Work began on July 1st and was completed on Monday, July 12.

Stripes were painted on Sunday, July 18.

The old back lot

Look at all those trucks!

We raised the ramp 3" prior to tearing out the lot

Look how beautiful and safe our new parking lot is!

Paved, before the striping

Tearing out the old lot

This was so loud!

Tearing up in the back

It was dirt for a few days

Repaving took a couple of days- the compactors shook the windows!

After the striping; bigger stalls and more handicap parking
